

SEDATIV

Letter of Intent

Band: Sedativ
Founded: 2004
Place: Ploiești, România
Genre: Electrofusion (electronic, breakbeat, Big beat, Synth rock, alternative rock)

Following information is provided in the [available EPK](#):

- Our Bio;
- Audio / video recordings;
- Photos;
- Music genre references;
- Live performances references;
- The updated line-up;
- The latest news about Sedativ;
- Technical rider;
- Press release;

One of our objectives is to be present on the stages of festivals and clubs that have the necessary infrastructure for live performances for music genres such as: electronic, alternative rock and derived sub-genres. We express our interest in such collaborations, we are receptive to ideas / concepts and we respond to invitations aimed at promoting the mentioned music currents.

We can brilliantly open concerts for bands orientated to electronic music, alternative rock and derived sub-genres.

Thank you for your attention and if you have any questions about Sedativ band, please contact us using the bellow contact details.

Best Regards,
Sedativ Crew
